## SECTION 1 INTRODUCTION AND BACKGROUND

The Metro South Community Improvement District (MSCID) is seeking sealed bids from qualified landscape maintenance contractors to provide right-of-way mowing and related right-of-way maintenance services on specific roadway segments within the district boundaries.

The Board of Director's intent with this project is to procure the services of a qualified and experienced contractor that will provide superior service and workmanship in accomplishing the tasks outlined in this ITB. The visual appearance of the roadway right-of-way includes landscaping and beautification, cleanup and overall attention to detail in the cleanup process is of utmost importance to the Board of Directors. This visual appearance of the CID has been identified as the #1 priority by the Board of Directors since CID formation in 2016. The CID desires to enhance the services and tasks that have been a mainstay with the ROW Maintenance contract over the years. The first step in enhancing the CID is in the procurement of a highly skilled and conscientious landscape and maintenance contractor with appropriate experience to perform right-of-way mowing and related maintenance services. The visual appeal of the district boundaries is critical in attracting new businesses while maintaining the needs and expectations of the existing business within the district boundaries.

The MSCID was certified as a qualified Community Improvement District by the DeKalb County Tax Assessor and Board of Directors elected in 2016. The CID boundaries are located within the commercial and industrial areas of unincorporated southwest DeKalb County; specifically identified on the attached Map Exhibits. Not all roads in the district boundaries are to be maintained at the frequency nor with the same tasks by the selected contractor. The frequency and type of tasks performed on each specified road is identified on the attached maps and spreadsheet (Table 1). The CID Tax Map is included in this ITB to assist the bidders with locating the district boundaries.

The Board's Executive Director will have the flexibility to modify the project scope; specifically frequency's and/or estimated quantities identified in the spreadsheet work scope prior to contract award and potentially during the contract period. If the frequencies and/or estimated quantities are exceeded or reduced, the contractor and the CID Executive Director will utilize the same unit prices as identified in the contract to derive a revised contract amount.

Prospective bidders must have experience working within local, state and/or federal highway right-of-way's. This experience shall include work tasks performed under the direction of the DeKalb county government or a Community Improvement District working within these right-of-way's. Insurance coverage meeting or exceeding GDOT requirements must also be provided. Contractors (or subcontractors) not meeting these minimum experience requirements or bonding capabilities with GDOT will not be considered qualified bidders and the respective bid packages will not be reviewed by the Selection Committee. Contractors must also be able to provide a 100% payment & performance bond to the GDOT for work within state ROW (Moreland Ave – SR 42 from Woodstock Road to Conley Road)

#### C. <u>GENERAL</u>

By submitting a bid, the bidder certifies that it been prepared independently and has been submitted without any form of collusion.

#### D. **PROPOSAL SUBMITTAL**

The bid package and all amendments must be signed and submitted via email no later than 4:00 p.m., March 8, 2024 to the email address below. The technical and fee proposal shall be submitted together.

Lawrence Kaiser, PE Executive Director <u>ATTN</u>: Metro South Community Improvement District Digital Submission Only – <u>larry@metrosouthcid.org</u> Cc: kaiser@co-infra-services.com

Proposer shall put the name of the bid and the company name in the email subject line. It is the Proposer's responsibility to ensure that proposals are received prior to the stated closing time. The MSCID shall not be responsible for any incorrect identification and/or emailing of any proposals. Late proposals, late modification or late withdrawals shall not be considered accepted after the stated bid date and time. It is recommended that Mr. Kaiser be contacted via phone <u>when</u> the bid is submitted to verify that the email was received. He may be contacted at 404-909-5619.

No proposal will be considered unless fully completed in a manner provided in the ITB packet.

The MSCID may reject any bid not in compliance with all prescribed bidding procedures and requirements, and may reject for good cause any or all bids upon a finding of the MSCID if it is in the interest of the business owners and public to do so.

#### E. **BID SUBMISSION AND SIGNING**

All requested forms and attachments (Signature Page, Acknowledgment Addendum, Statement of Proposal, etc.) must be submitted with the Bid and in the required format. The submission and signing of a bid shall indicate the intention of the firm to adhere to the provisions described in this ITB.

F. <u>**COST OF PREPARING THE BID**</u> The ITB does not commit the MSCID to paying any costs incurred by Bidder in the submission or presentation of a proposal, or in making the necessary studies for the preparation thereof.

#### G. INTERPRETATIONS AND ADDENDA

All questions regarding this project proposal shall be directed via email to Lawrence Kaiser. If necessary, interpretations or clarifications in response to such questions will be made by issuance of an "Addendum" by the date identified in the Schedule Of Events table. If an addendum is necessary after that time, the MSCID at its discretion can extend the closing date. <u>Any Addendum issued</u>, as a result of any change in the ITB, must be acknowledged by submitting the "Acknowledgment of Addendum" with the bid as described herein. All MSCID "Response to Questions must also be acknowledged in the bid submittal. Only questions answered by formal written addenda will be binding. Oral and other interpretations or clarifications will be without legal effect.

#### H. FEDERAL TAX ID AND E-VERIFY DOCUMENTS REQUIRED

A federal EIN number and E-verify documentation must be completed and submitted with the bid package.

- I. <u>MSCID 'S PROJECT MANAGER</u> The MSCID's Project Manager for this work will be determined before work commences.

The use of power blowers is acceptable, however, accumulations of debris must be removed from the site and not blown unto adjacent property, street surfaces, fence lines, or plant areas (rough or bedded). No trash, debris or plant material shall be blown or deposited into curb/gutters or storm drains by the Contractor. If plant material or debris is deposited into the curb/gutter or storm drain during mowing /trimming operations, the Contractor will remove it immediately by hand or mechanical means at no cost to the MSCID.

#### **Frequency**

See Exhibit B - Table 2

#### B. Trash and Debris:

#### Work Tasks

Trash and debris and miscellaneous services will be performed <u>within county and state</u> <u>right-of-way</u> on the specified roads unless otherwise specified by the Executive Director or his representative.

Trash and misc. debris is defined as any organic or inorganic material equal to or greater than the size of a 6 oz. beverage can.

Illegal signs and illegal structures (i.e. newspaper/magazine boxes) within right of way shall be removed and disposed of in a proper manner. Illegal signs are defined as any sign that is mounted on any utility pole or any temporary sign within right of way. This work shall be included in the cost of trash pickup.

Highway signs that are crooked and can be straightened without a need to reset (which requires

notification to Utility Protection notification) shall be undertaken by the Contractor. During the course of this contract, the Contractor shall make a list of highway signs that have observed to be on the ground, damaged or faded and provide said list to the Executive Director **monthly.** 

All debris shall be disposed of in a proper manner according to local, state or federal guidelines. The cost for tipping fees shall be included in the Total Bid Amount submitted.

All trash to be bagged and properly removed for disposal

<u>NOTE</u>: The Contractor shall provide the MSCID project manager an approximate weight of all trash removed on a monthly basis

#### **Frequency**

✓ See Exhibit B - Table 2

#### C. <u>Maintenance of Hard Surfaces:</u>

#### Work Task

Sediment and other deleterious material shall be removed from the curb line, catch basin inlets or gutter, concrete surfaces (including bridges), island areas, behind guardrails and sidewalk surfaces.

Vegetation in sidewalks, curbs, gutters and other hard surfaces shall receive an approved herbicide application. Any herbicide application will be performed after vegetation is removed

by mechanical or by hand. Edging/trimming will include along walls, fences, foundations, behind curbs, sidewalks, paths, shrubs, tree trunks, poles or other objects or structures within or bordering the mowing area within state, or county right of way. The sidewalks, curbs, and other hard surfaces shall be kept free of leaves, litter, grass clippings and debris resulting from edging/trimming activities. The use of power blowers is acceptable, however, accumulations of debris must be removed from the site and not blown unto adjacent property, street surfaces, fence lines, or plant areas (rough or bedded).

In no case shall any pre or post emergent herbicides with residual characteristics be used in these areas (no staining of concrete surfaces). The herbicides shall also be utilized in the concrete median flat surfaces where weeds are present.

No restricted use chemicals shall be used in weed and grass control. Herbicide must be of a glyphosate type (Round Up or approved equal) specifically designed for post-emergent control of weeds and grass. All herbicide application shall be done in accordance with label directions. Federal, state and local laws shall take precedence for compliance purposes. Identification color may be added to herbicide to track application areas. Color must fade with moisture or within 3-5 days after application.

#### **Frequency**

✓ See Exhibit B - Table 2

#### D. MISC Debris Removal & Cleanup

Miscellaneous debris removal services includes furniture, tires or household appliances. The CID will pay the tipping fees associated with placement in a state or local government approved landfill. *The cost to pickup fallen trees or tree branches less than 10 foot in length and tree stumps shall be included in the cost for Trash & Debris Removal line item of the Bid Schedul*e

Removal of toxic/hazardous materials will <u>not</u> be performed by the Contractor. However, if such materials are found, the Contractor shall notify the MSCID immediately.

#### E. General Turf Maintenance Moreland Avenue

Pre and Post Emergent Herbicide Treatment are identified in Section D of Attachment B. Pre-Emergent shall be applied between mid-February to mid-March and again between mid-September and mid-October. Post-Emergent shall be applied once in the spring and again in the fall. Weed control (roundup) shall be used on all flat surfaces and channelized islands where side streets intersect with Moreland Ave (SR 42). This includes roundup of curb & gutter on all roads as shown in Exhibits A & B. No pine straw or maintenance of tree islands on Moreland Ave (SR 42). CID will be replacing all the trees within the SR 42 median in the Spring of 2024.

# SECTION 4 PROPOSAL CONTENT AND FORMAT

#### A. <u>FORMAT</u>

To provide a degree of consistency in review of the written proposals, firms are requested to prepare their proposals in the standard format specified below.

#### **TECHNICAL APPROACH**

- 1. <u>**Title Page**</u> Proposer should identify the RFP Title, name and title of contact person, address, telephone number, fax number, email address and date of submission.
- 2. <u>Transmittal Letter</u> The transmittal letter should be not more than two (2) pages long and should include as a minimum the following:
  - **a.** A brief statement of the Proposer 's understanding of the project and services to be performed;
  - **b.** A positive commitment to perform the services within the time period specified, starting and completing the project within the deadlines stated in this RFP; and the names of persons authorized to represent the Proposer, their title, address and telephone number (if different from the individual who signs the transmittal letter.

#### 3. <u>Table of Contents</u>

The table of contents should include a clear and complete identification by section and page number of the materials submitted.

#### 4. <u>Firm and Team Qualifications</u>

- a. Background of the firm. This should include a brief history of the firm and types of services the firm is qualified to perform.
- b. Qualifications of the firm in performing this type of work. This should include examples of related experience and references for similar projects. Contractor must demonstrate successful past performance of the firm's ability to provide services as set forth in this specification. Contractors must detail three (3) references to document experience. References must be provided.
- c. Proposers must identify the anticipated supervisor (s) of their firm that will be assigned to meet the MSCID's needs. Proposers should identify individuals and subcontractors who will provide the services, their experience, and their individual qualifications. Pertinent resumes of assigned personnel should be included.
- d. Identification of where similar services have occurred with the Georgia Department of Transportation right-of-way within the constraints of state permitted conditions.

#### 5. <u>Project Understanding and Approach</u>

Proposers should provide the MSCID with information regarding their understanding of the CID's needs with regards to the Scope and Schedule of Work. Proposers should demonstrate a general understanding of the project scope expected by the CID in providing roadside mowing and related maintenance services. As part of this understanding, Proposer's should address their availability to meet the MSCID's needs.

#### 6. <u>Intangibles</u>

Provide the Selection Committee, as applicable, any differentiating feature that may be of value to the CID (savings in time and/or money) in the performance of this contract. This may include the Alternative Approaches discussed herein this RFP.

#### **PRICE**

#### 7. <u>Cost Structure</u>

The Attached Bid Tabulation Forms shall be utilized for the submittal. This Form will include the proposed Total Bid and Hourly Unit Costs. Potential Alternative Approaches and Associated Prices.

#### Attachment B; Bid Form (all 5 pages); must be included in the bid submittal.

## SECTION 5 PROPOSAL EVALUATION PROCEDURES

#### A. SELECTION AND EVALUATION PROCESS

A Selection Committee assembled by the MSCID will review the proposals. Proposals will be evaluated to determine which one(s) best meet the needs of the MSCID. After meeting the mandatory requirements (pass/fail), the proposals will be evaluated on their approach, previous experience on similar projects, experience working within the state right-of-way, client recommendations, intangibles, total lump sum bid amount, unit price costs and alternate approaches.

**Note**: The Evaluation Team will not review the bid of any firm who receives one or more "fail" scores. The Evaluation Team will select the Proposer (s) which best meets the MSCID's needs based upon its evaluation of a firm (s) proposal. Proposals will be evaluated in accordance with the following:

1.	Completed Proposal submittals (refer to Section 2.U)	Pass/Fail
2.	An original plus three (3) copies of the complete proposal	Pass/Fail
3.	Title Page & Transmittal letter	Pass/Fail
4.	Local and/or State Government experience (Section 2. B)	Pass/Fail
5.	Firm and team qualifications/references	40 points
6.	Project understanding and approach	25 points
7.	Intangibles	5 points
8.	Bid Amount (including alternatives if submitted)	30 points
	TOTAL EVALUATION POINTS	100 points

#### B. <u>PRESENTATION/INTERVIEW</u>

At the option of the MSCID, the top scoring proposers (based on the criteria points) may be asked to make a presentation of their proposal. This will provide an opportunity to clarify or elaborate on the proposal, but will not, in any way provide an opportunity to change any fee amount originally proposed. The MSCID's Project Manager will schedule the time and location of these presentations and notify the selected firms if interviews are held. If the MSCID elects to conduct a presentation/interview process, an additional 10 criteria points will be assigned to the Total Evaluation Points.

#### C. <u>INVESTIGATION OF REFERENCES</u>

The MSCID reserves the right to investigate references and the past performance of any Proposer with respect to its successful performance of similar projects, compliance with specifications and contractual obligations, and its completion or delivery of projects.

#### D. <u>CLARIFICATION OF PROPOSALS</u>

The MSCID reserves the right to obtain clarification of any point in regards to a proposal or to obtain additional information necessary to properly evaluate or particular proposal. Failure of a Proposer to respond to such a request for additional information or clarification could result in rejection of their proposal.

#### E. <u>RESERVATION IN EVALUATION</u>

The Selection Committee reserves the right to either: (a) request "Best and Final Offers" from the finalist firm (s) and award to the lowest priced or (b) to reassess the proposals and award to the firm(s) determined to best meet the overall needs of the MSCID.

F. **INTENT OF AWARD** Upon review of the bids submitted, the MSCID may negotiate a scope of work and a general services agreement with one firm, or may select one or more firms for further consideration.

#### G. **PROPOSAL REJECTION**

The MSCID reserves the right to:

- 1. Reject any or all proposals not in compliance with all public procedures and requirements;
- 2. Reject any proposal not meeting the specifications set forth herein;
- 3. Waive any or all irregularities in proposals submitted;
- 4. **R**eject all proposals;
- 5. Award any or all parts of any proposal; and
- 6. Request references and other date to ascertain responsiveness

#### SECTION 6 PROPOSAL CERTIFICATIONS
